

GLOBAL METHODIST CHURCH NORTH GEORGIA

Leadership thrives when we slow down to reflect together. We invite you to sit down with your ministry team to process and discuss these Vision Leadership questions. Our hope this time sparks thoughtful conversation, deepens your shared commitment, and encourages your growth as disciple-makers.

Vision Leadership:

- 1) Does your church have a working definition for disciple or disciple-making? How do they differ?
- 2) What is critical in your church to develop and train effective leaders?
- 3) What is one thing your church could change in 2027 that might make your disciple-making more effective?
- 4) What are some ways your local church is actively moving beyond isolation to practice shared collaborative ministry?
- 5) Are leaders (clergy and laity) passionately pursuing Jesus as a disciple first? How?
- 6) Do you see fruit of the Spirit (fruit that will last) in your leadership team?
- 7) Do you see your church structured for control or as a movement of the Holy Spirit?

Reflection:

We invite the church leadership team to spend time together reflecting on the questions above. After reflecting, please submit your answers to the following questions as part of your charge conference report. These answers will assist the NGAGMC help to equip and resource your church.
